"THE RABBIT REVIEW" IS PUBLISHED...

Stewart the Bunny and Courtney Lynn Michaels are pleased to announce the publication of "The Rabbit Review." Beginning with this "Introductory Issue," further issues will be available at the end of every 3 months.

Volume #1 holds a total of 5 newsletters.

This series is but a peek into Stewart's world. It not only follows his stories and songs from "The Adventures Of Stewart The Bunny," it is also guided by his personal plans recorded in his calendars, "A Year In The Life Of A Rabbit." There will be snippets from Stewart's diaries, letters and so much more. There is, we hope, fun enough for young and young at heart, contained within these pages, to keep our readers interested.

As you will soon see from the "UPCOMING EVENTS" column, Stewart and his forest friends have much to look forward to each month. He also has a "BOOK CLUB" section where he recommends his favourite stories. In the "STEWART'S WEATHER FORECAST" feature, he does a splendid job predicting the weather so our readers can plan their activities ahead. Stewart's giggle is contagious, so we're sure you'll enjoy the "SILLY JOKES." Maybe he'll share a poem he's written, or a favourite recipe he's made for Courtney. You do know Stewart is a Chef, right? If not, you can purchase the story "Cooking With The Rabbit" which is followed by his song, "Would You Like." On the homepage, just follow the carrot which reads "Stories and Songs Calendar," then click the month of November. They're the third ones down.

And Courtney? She brings you up-to-date news on what little Stewart and his friends have been up to, edits Stewart's submissions, paints pictures, organizes the "LOST AND FOUND AND OTHER THINGS" page...Well, you'll just have to stay tuned to find out what else she does, because with a rabbit unlike most, she's never sure herself. We hope our friends will find this newsletter charming and amusing.

STEWART'S WEATHER FORECAST By: Stewart the Bunny

Expect lots of snow and
occasional freezing rain.
There will be some mild
days, but there will be
very, very cold days too.
Some days the sun will
shine. Some days will be
sulky. Occasionally, it will
be terribly windy.
Temperatures will often
be below nothing. You will
have to shovel and most
days you won't want to.
Some days, you will slip
and almost fall down.
Other days you will want
to pull the covers over
your ears! Some days the
frost will make you think it
looks pretty outside!

SILLY JOKES

Why is a rabbit like a cent? Because it has a head on one end and a tail on the other!
What do you get if you cross a rabbit with a bumble bee? A honey bunny!
What did the rabbit say to the carrot? It's been nice gnawing you!

Public Notice: The public is asked to watch for a certain raccoon who has broken into
and stolen sunflower seeds from Courtney's potting shed. Whoever catches the bandit
is asked to remind him that he will be punished for breaking the law. If, on the other
hand, the raccoon is unemployed and stealing because he is hungry, he can apply for the
clerk's job at My Coop General Store.

Public Notice: Professor Jack Fuzzyfoot's evening class entitled "Every Subject,"
